Join us on a rewarding journey!

We're thrilled to share with you the exciting developments at The Voice of Africa Trade, Investment, and Tourism Forum, a subsidiary of our esteemed brand, The Voice of Africa. Our platform was born out of the desire to bridge the information gap in Africa, fostering unity among Africa, the diaspora, and the global community. We've set our sights on unlocking the immense potential of the continent by bringing together governments, businesses, investors, and thought leaders.

In 2024, we're gearing up for significant milestones. Our journey is one of forging impactful connections and building bridges across continents. We're delighted to embark on a groundbreaking partnership with the **Embassy of Malawi DC**, setting the stage for the launch of our inaugural project in **February 2024**. This endeavor aims to position Malawi as a premier tourism destination and a hub for attractive investments. Through various media

channels, we will showcase the cultural richness of Malawi and create deal rooms to secure essential funding for the Malawian government.

In **April 2024**, we'll unveil **The Voice of Africa Trade, Investment, and Tourism Virtual Deal Room** – a transformative platform connecting Africa with the world. This dynamic space will serve as an information hub, providing real-time updates, market insights, and curated opportunities for Global investors seeking collaborations with African businesses.

May 2024 marks a significant milestone with the launch of our **US-AFRICA Deal Day Symposium**. This event is dedicated to advancing projects, raising capital, and accelerating deals to financial closure. Our vision is to channel capital toward critical sectors that align with Sustainable Development Goals, the African Development Bank's High 5s, and the African Union's Agenda 2063.

As we progress, we're excited about the launch of the **Student Exchange And Mentorship Program** in **September 2024**. This initiative aims to facilitate reciprocal student exchanges between African countries and the USA, fostering cultural exchange and educational opportunities. Paired with experienced mentors, students will be guided in skill development for success in the marketplace.

In **December 2024**, we invite you to embark on a transformative journey with our **“Invest in Ghana Real Estate Tour”** in collaboration with Experience Africa Tours. This immersive experience will empower participants with the knowledge and tools necessary for successful real estate investments in Ghana.

Looking ahead to **March 2025**, we are proud to introduce the **L.E.A.P. F.O.R.W.A.R.D. Program** – a venture accelerator initiative designed to empower startups and small businesses led by Black entrepreneurs in the United States.

The road ahead is exciting, and we invite you to be a part of this transformative journey. Your support and collaboration are instrumental in realizing our vision for a vibrant, united, and prosperous Africa.

Our Strategic Approach

TVOA Forum, in its commitment to drive economic development in Africa, envisions a comprehensive strategy focusing on key pillars that align with its mission and vision.

CONNECTIVITY

The Voice of Africa serves as a dynamic force in linking Africa, the African diaspora, and global well-wishers. Our commitment to facilitating access to information is showcased through our platform, delivering valuable content through diverse channels. With a robust media arsenal—newspaper, TV channel, podcast, newsletter, website, and active social media—we ensure a continuous flow of information, insights, and discussions, fostering an informed and engaged community.

EDUCATION

Recognizing the transformative potential of education, TVOA Forum embraces the evolving post-COVID landscape. **Our Student Exchange and Mentorship Program (SEMP)** exemplify this commitment. Through SEMP, we aim to foster cultural exchange and educational opportunities by facilitating reciprocal student exchanges between African

countries and the USA. The program pairs students with experienced mentors to guide them in skill development for success in the marketplace.

FINANCE

TVOA Forum is a key player in the realm of philanthropy and investment, pivotal in shaping a financially inclusive future for Africa. Through impactful programs like our virtual deal room, forums and workshops, collaborations with social and impact funds, and exclusive services offered to organizations, we envision scaling our efforts through technology. Our focus is on ensuring a sustainable economic outlook for Africans as the continent increasingly embraces online opportunities.

NETWORKING

At the core of our strategy lies the art of networking. Our events serve as vibrant platforms for individuals, businesses, and organizations to connect, fostering relationships that transcend borders. Deliberate curation creates spaces for meaningful interactions, paving the way for collaborative efforts that drive progress.

ENTREPRENEURSHIP

TVOA Forum actively supports entrepreneurship through programs like the **LEAP FORWARD Program**. This venture accelerator initiative is crafted to empower, energize, and support startups and small businesses led by Black entrepreneurs in the United States. LEAP FORWARD identifies visionary leaders driving impact-oriented solutions at both local and national levels, addressing vital community needs and fostering sustainable growth.

CAPACITY BUILDING

TVOA Forum extends exclusive services to organizations, contributing to their capacity building. Through strategic collaborations and tailored support, we envision empowering entities to achieve their goals and drive positive change in Africa.

PARTNERSHIP OPPORTUNITIES AND NETWORKING

TVOA Forum actively seeks and establishes enduring partnerships with corporations, communities, entrepreneurs, philanthropists, foundations, and nonprofits. Our strategy is rooted in fostering connections, collaboration, and action, driving economic development in Africa.

IMPLEMENTATION STRATEGY

Strategic Collaborations:

Forge strategic collaborations with corporations, aligning with their interests in diversity, education, technology, and philanthropy.

Community Engagement:

Actively engage with diaspora communities, encouraging philanthropy, investment, and leadership from within.

Entrepreneurial Support:

Amplify the voices of emerging entrepreneurs and innovators through dedicated programs, showcasing their achievements and facilitating introductions.

Philanthropic Connections:

Connect philanthropists and foundations with carefully vetted African opportunities, maximizing impact through localized partnerships.

Nonprofit Support: Source developmental capital for nonprofits aligned with TVOA Forum's objectives, creating meaningful collaborations for impactful change.
